Conditions were dicey from the beginning, when a 20 mph headwind picked up just as racing began at 10 AM. Conditions grew considerably worse after 10:45 and by 11:00 am the winds were a sustained 30 mph with gusts to 40 mph. By the time the Lightweight Boys fours finished the race, it was clear that racing might not continue. At 1:30, the coaches agreed to cancel racing as conditions deteriorated further. The morning results follow. The Klemek Cup (Boys 1<sup>st</sup> Varsity 8) and the Snyder Cup (Girls 1<sup>st</sup> Varsity 8) were not awarded since neither final was completed.
