Approved the Minutes of the May board meeting.

Executive Director's Report: Attached

Fall Registration for Juniors is open.

Learn to Row enrollment is down a little, but the price has gone up, so this is not surprising. Several LTR graduates are joining Masters.

Outreach – we have been working with Horizons, Joseph Maley Foundation, and the Cancer Support group. WISH TV did a nice piece on the JMF program and featured it during the local news.

Events – Number of entries for the Summer Sprints was up. Making it part of the Midwest Masters Series helped increase interest. We had good feedback from participants, and we netted \$2000.

Upcoming events: Oct 5 – Head of the Eagle

Nov – Purdue hosts an event

Feb 8 – Indoor Sprints

Junior Sprints – First weekend in May 2020

May 17 - Big Ten - we negotiated a better fee with them

Debris Issues – Andrew met with neighborhood associations representatives from around the lake about joining us to find a solution to the storm debris floating

into the reservoir. IRC has ceased dumping driftwood into the South part of the reservoir.

Treasurer's Report - attached

Depreciation of the new starting docks will last for 15 years and will skew our financial situation going forward. This is a large increase in depreciation expense.

990 tax forms – IRS wants our income split between the sources. The general ledger cannot stay the way we are currently set up. John Murphy will follow up.

Junior's fees went up from \$1000 to \$1100, last year. How can we recruit more Juniors?

What membership level for IRC would result in a break-even cash basis for the year?

Fund Raising -

Can we document annual cycles of giving?

How do we decide where to spend the funds raised?

Focus areas: Boat campaign, Scholarships, Planned Giving, Annual Appeal, Grant Writing

Fund Raising Committee will be meeting quarterly to develop goals and a plan.

Governance Committee –

Committee had breakfast with two potential board members (both from Indy Sports Corp)

Suggestion was forwarded to add board members from outside the sport.

Annual Report for 2018 was approved

Preliminary budget for 2020 is due at the November 11 board meeting.

Future Meetings: September 9, November 11

NEW Business —

Juniors Updates: New Coach at the start of the fall season.

Call out meetings at: Roncalli, Park Tudor, University HS

Memo

| Date: | 7/29/2019 |
|----------|---------------------------|
| To: | IRC Board |
| From: | John Murphy |
| Subject: | IRC July Financial Report |

All,

Agenda items for March meeting:

- Financial Position
- 990s
- Sports Corp Grant
- Schwab accounts for restricted funds

The cash position as of Friday is \$187,821 (net \$49,421)

Club cash: \$21,069.45Capital account: \$5477Boosters: \$1,488.47

Destricted 6450 707 04 (#400 400

Restricted: \$159,787.34 (*138,400 set aside for docks).

Schwab Account... We have a balance... of \$3100.

The \$49,421 is down from the \$82,076 cash position May, there are still \$5250 uncollected from Spring dues. This number will continue to be tracked over the next several months determine how much of this is due to cash flow timing (we have most of Spring revenue and not necessarily all the expenses) and residual money not net paid on the docks

Doug will have the update on the 990 submission.

A note on the Sports Corp Grant: The Sports Corp Grant will skew Net numbers on the Income Statements for the next several years. I will be reporting operational income, net before accounting for the Grant, as well as, numbers including the Grant. This year we will show a large total profit. Until we totally depreciate the new docks over the next 15 years, we will be showing less profit than we are making over these 15 years, due to the large depreciation expense the docs will represent.

I have information on setting up two accounts at Schwab for the restricted funds accounts. I need to chat with the Finance Committee on when to proceed. To actually set up an endowment that would be managed by Schwab, we need to get to a \$250,000 balance in all of our accounts combined. There are other organizations that may help set this up. I can look into this now that NCAAs are behind us.

Respectfully, John Murphy Treasurer
